Jav M. Cantor, Reg. No. 19,906

Sir:

**RESPONSE TO PAPER DATED APRIL 19, 2006**

In response to the communication dated April 19, 2006, it is respectfully submitted that the undersigned does not recollect having any substantive discussion with the examiner in the subject application. The recollection of the undersigned is that the examiner wished to discuss a reference after the Brief on Appeal had been filed, stating that she had altered her view of a reference and the undersigned requested that she provide the altered view in writing. Accordingly, no communication regarding the telephonic discussion, initiated by the examiner, was required.

In view of the above, it is believed that nothing further is required from applicants' attorney at this time and it is requested that the examiner take appropriate action based upon the presently filed Brief on Appeal.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Cantor", with a stylized flourish at the end.
